UNIVERSITY OF EVANSVILLE LIBRARIES

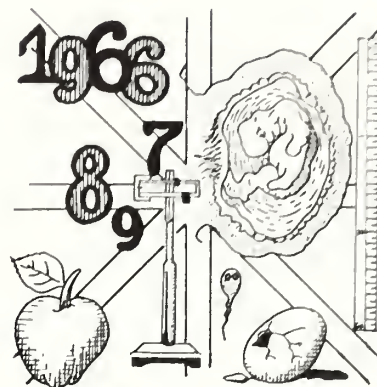

Growth

"I 'spect I Growed. Don't Think Nobody Never Made Me."

—UNCLE TOM'S CABIN
Harriet Beecher Stowe

As a liberal arts college, Evansville College seeks to give students adequate breadth and depth of understanding of civilization and culture, to aid them in their adjustment to life and society, to enrich their personalities, to enable them to think and act intelligently, and to aid them in choosing and preparing for their life's work.

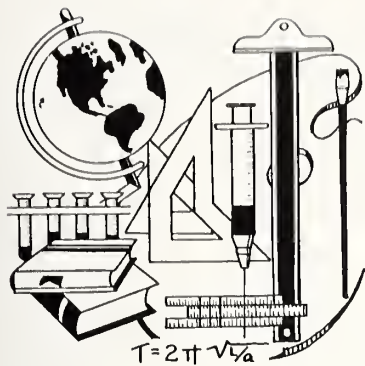

Students come with different hopes, dreams, and aspirations. Each person has his own ideas and ideals, and each has a goal. For some this goal will one day become a reality while for others it is one never to be realized. College causes most people's world to change in its scope. Things become more real, education more meaningful, friendships more genuine. While in college a person's life is transformed for it is here that he passes from adolescence to adulthood. No one can say when this metamorphosis takes place and few can say why, but even fewer can deny it.

It seems like such a short time ago when, fresh out of high school, we entered college. Maybe we were "green", but we didn't think so at the time. But since then, a lot has happened. We have grown up.

Knowledge

Our most obvious growth is in knowledge. It is the reason college exists, and it is the reason we come. Most of us are serious, some indifferent, in the pursuit of knowledge. We pursue it variously, in depths of night and solitude, in huge crowds, in intense groups.

Knowledge without effort is impossible. 2700 different study habits help the student acquire his education. Study lamps come on early in the evening and, one by one, go out until only a few remain at dawn. Cramming is common; complete preparation is rare. There is always more to learn but never enough time.

College gives us knowledge more important, less transitory, than mere facts. It gives us the knowledge of the *power* of learning. The concepts we learn become a part of us. They will remain even when facts fade.

Such is our growth.

Personality

We come each year, linger awhile, and leave by
our separate ways.

We linger for only a year, two years, four years . . .
but all of us have walked through the whiteness
of snow and under trees colored with the magic of spring.

Evansville College is a source of many
memories, some rewarding, some burdensome.

Even outside its classrooms, college nurtures
our growth. Of the many students who
attend college, some desire more than a classroom
education. Personality development is
association with people; it includes parties, dates,
and occasional sessions in the Indian. The campus offers
opportunities for participation in various organizations
and activities. These are inevitable
parts of our growth.

Culture

In college there is constant activity—study, research, technical experiments, and meetings. But there are also opportunities for the artistic, talented, and culture-minded. One is free to participate or enjoy, create or criticize.

Becoming a well-rounded person involves more than an academic education. In addition to the fine arts, a lecture series provided by the Interstate-Finance-Richard E. Meier Foundation has made it possible for students to see, hear, and visit with some of the world's important men and women. Some make the effort to attend and are rewarded as their horizons expand. Others remain at home, unaware of the challenge of cultural appreciation.

More of us come each year. We develop our knowledge, personality, and culture, and we leave better persons than we started with new outlooks, new perspectives, and new goals. College does not complete the whole of our growth, but it starts us seeking it.

So This Is College!

Orientation was the time for getting acquainted with the campus and its buildings and for catching a first glimpse of college life. The social activities of orientation began with a street dance in the college parking lot. Before registration, the freshman were submitted to SAT tests and chest x-rays.

Jan Paschal, freshman, was voted Icebreaker Queen by freshmen attending the dance, in Carson Center. In the Queen's court were Millie Goody, Chris Taylor, Sandy Sharpe, Barbara Horst, Linda Topper, and Pam Keith.

Freshmen numbered 1040 out of the total enrollment of 2772 for the 1965-66 school year. The enrollment was an increase of 297 over the registration of the 1964-65 school year.

Students worked their way thru the maize of registration lines as the new school year began.

These weary students approached the end of the line as they waited to pay their bills at the Business Office.

Jan Paschal was crowned freshman queen of the annual Ice Breaker Dance by SGA President, Jerry Linzy.

Sue Schelosky, of Alpha Omicron Pi, displayed the talents that won her the title of Miss Watermelon Bust at the Lambda Chi Alpha Watermelon Bust. The trophy was presented to her by Jim Browning, president of Lambda Chi.

Gordon Stien, Karen Allen, and Judy Vosburgh used their hill-billy influence to persuade students to join the Union Board Fine Arts Committee on Activities Day in the Union.

At their Activities Day booth the Evansville College Theatre invited students to participate, on stage or behind the scenes, in plays scheduled for the 1965-66 season.

The faculty turned out in academic dress for the annual President's Convocation for freshmen.

President Hyde listened as Leonard Lidy, Father of the Year, spoke during the Dad's Day festivities. John Lidy, freshman, heard his father speak.

"Turn Up the Lights" was the subject covered by President Melvin Hyde in the 1965 President's Convocation for freshmen students. The convocation was the first formal introduction to the faculty for the freshmen. It marked the beginning of many intellectual events for the new students.

97 Men Pledged

The five national fraternities on campus, Kappa Alpha Psi, Lambda Chi Alpha, Sigma Alpha Epsilon, Sigma Phi Epsilon and Tau Kappa Epsilon, pledged 97 men Nov. 1 during informal ceremonies at the Union Building.

Pledging ended a month of banquets, smokers and parties for men going through rush. The Inter-Fraternity Council sponsored a smoker for all rushees at which time the men met their future brothers.

When the bids were issued and accepted, the Kappas, the newest fraternity, pledged four; Lambda Chi, 29; SAE, 24; Sig Ep, 21, and TKE, 19.

In January, the rush book was again opened for the spring pledge classes.

Members of the five fraternities yelled and cheered happily as their new pledges came through the Union Building doors to meet new brothers.

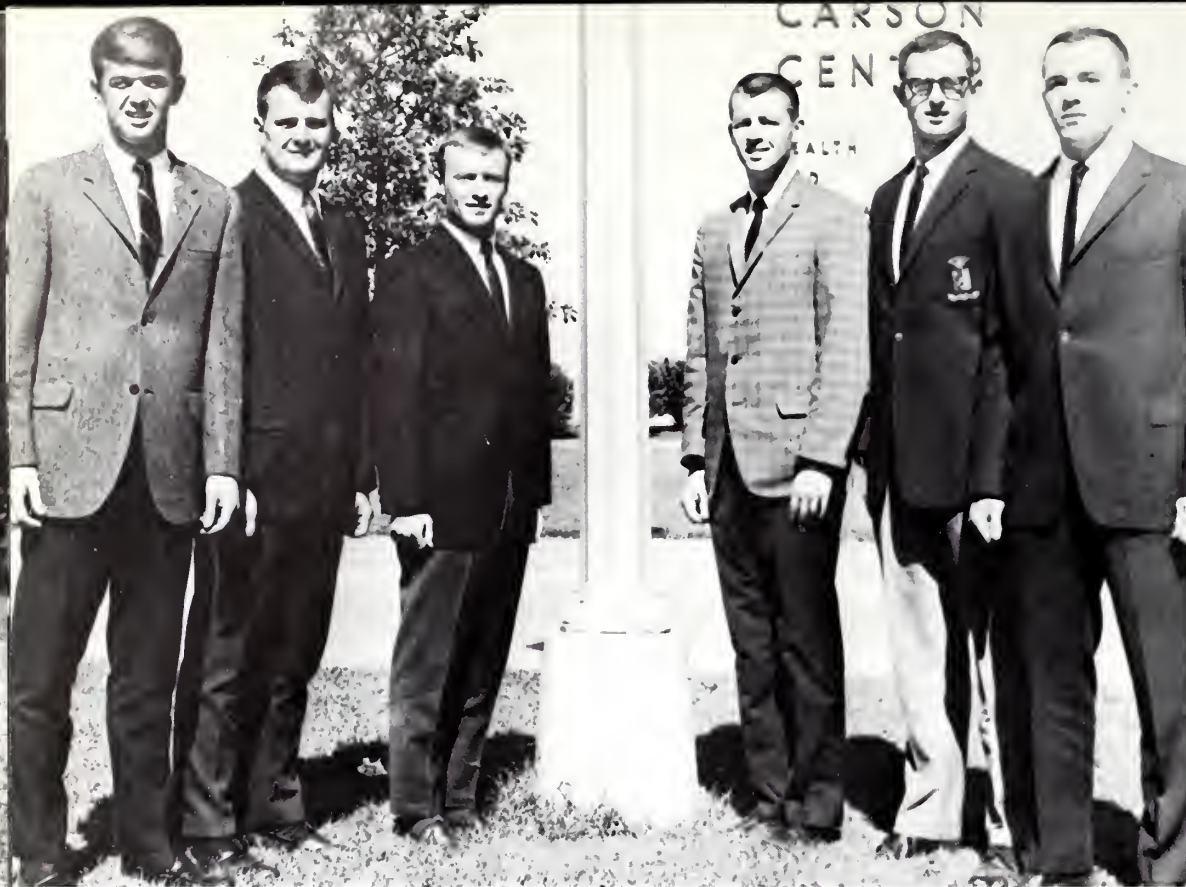

One hundred and thirty-five men participated in fall rush with 97 men pledging. Rushees met the fraternity men during the Inter-Fraternity Smoker and Rush

Banquet and at parties and smokers given by individual fraternities.

Aces Rebound from Slump To Gain Winning Season

Evansville College's football Aces rebounded from a mid-season offensive slump to register their second straight winning season. The Purple and White, coached by Paul Beck, closed the season with a 3-3 Indiana Collegiate Conference record and a 5-4 overall mark.

The Aces opened the season by surprising two highly touted teams, Bradley, 15-14, and Southeast Missouri State, 26-6. The Aces then dropped three of their next four games against ICC opponents before they upended conference foes St. Joseph's, 28-6, and Valparaiso, 14-10. The victory over Valpo marked the first time in the last six years that Evansville was able to celebrate Homecoming on a happy note.

Several performers consistently stood out for the Aces, including guard Steve Markwell, linebacker Jim Havill, end Jim Beasley, halfbacks Alan Per and John Lidy, and fullback Matt Hatcher. Per was the team's leading rusher with 4.3 yards per carry average, while Lidy finished as the conference's third best punter with an average of more than 40 yards per kick. As a team the Aces averaged 219 yards total offense per game, while yielding 263.

After the season Coach Beck, who guided the Aces through eleven seasons, stepped down after compiling a 44-52 record. He was named ICC Coach of the year after directing the Aces to a share of the conference title in 1964.

Sophomore Jerry Snyder, the Aces' tight end, races to haul in a pass against Ball State.

Roberts Municipal Stadium, the scene of many an Aces' victory, begins to fill to capacity prior to another Evansville home game.

All-American Humes Leads Aces—I.C.C.

Larry Humes, All-American from Madison, Ind., drives for the basket, edging out his man for two of his 29 points in the 103—90 win over St. Joseph's at Robert's Stadium. Humes, a senior, was named to the Sport magazine's small college All-American team by a vote of National Basketball Association scouts this year. Sam Watkins, senior from Louisville, Ky., was high point man for the game with 33. (Photos courtesy Sunday Courier-Press)

Rick Kingston, junior from Evansville, who filled the starting spot left by mono-stricken Darrell Adams, grabs a rebound from Stew Miller of Ball State.

Howard "Lurch" Pratt, 6'6" sophomore from Shoals, Ind., is head and shoulders above everyone else as he goes up for two points against St. Joseph's, and is fouled by John Flick (35). Herb Williams looks on.

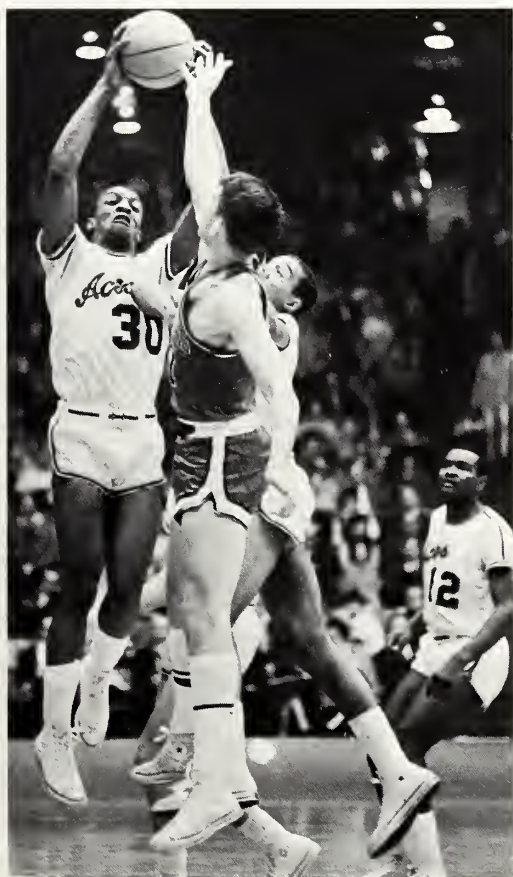

Darrell Adams, sophomore from Patoka, Ill., struggles with big George Peebles, Iowa center, for possession of the ball. (Photos courtesy Sunday Courier-Press)

Jerry Mattingly, sophomore from Evansville, dribbles in for a lay-up, while Sam Watkins and Ron Johnson follow the action from the back-court.

Sam Watkins, Aces' number two scorer, is fouled as he jumps for a shot in the Ball State game. Humes, Mattingly and Gordon anticipate a rebound.

Junior Herb Williams, Centralia, Ill., jumps high in the air to nab another rebound in the St. Joseph's game.

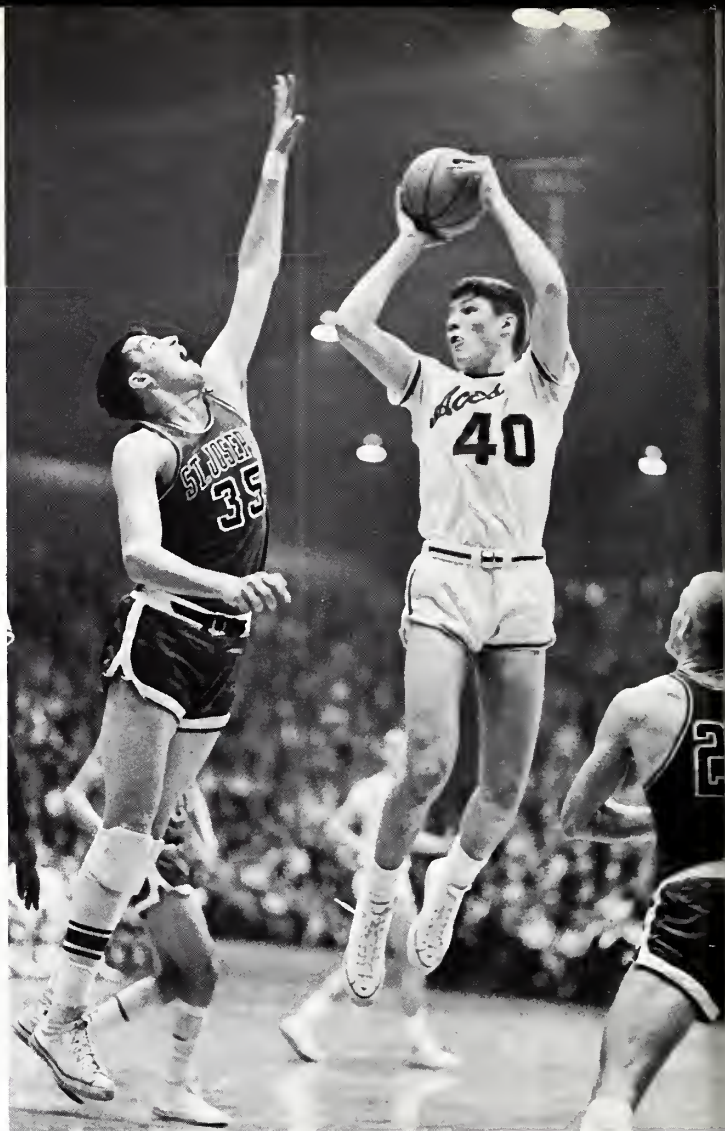

Dave Riggs, sophomore Ace from Evansville, makes a futile attempt to block a shot during the Aces-St. Joe game.

"Woody" Gordon grimaces as he is fouled rebounding.

Woody Gordon lunges for the ball a split-second too late, as a Ball State player intercepts.

Pivotman Howard Pratt leaps high to fire in two points in the Aces' 103—90 win over St. Joseph's.

E. C. DIAMONDMEN POST

5—15 SEASON RECORD

Rick Kingston hustled a throw to first base to complete a double play in the 1—0 victory against Oakland City which closed the season.

Worried coach Don Ping paced the coach's box during a close contest with nearby Oakland City College.

STANDING: John Lidy, Ralph Payne, Bill Carr, Paul Smith, Bob Glaser, Ron Martin, Bob Gray, Jim Raper, Mike Beard, Coach Don Ping. *FRONT ROW:* Mike Madriaga, Tom Keppen, Jim Harl, Mike Oliver, Rick Kingston, Tom Gerkin.

'65 Spring Practice Showed Beck Some Good Prospects

Kim DeVault, four year EC spiral ace, ran the team through spring practice to develop high-stepping techniques.

Sophomore Gordon "Gordo" Jaffray trained in the spring for a first string position fall '65. Jaffray, from Chicago, Ill., proved to be one of the most valuable players on the EC team.

Turnovers are a part of rigorous training for development stamina.

Jim Beck, Evansville, gave that extra bit of effort during spring practice to impress coach Beck.

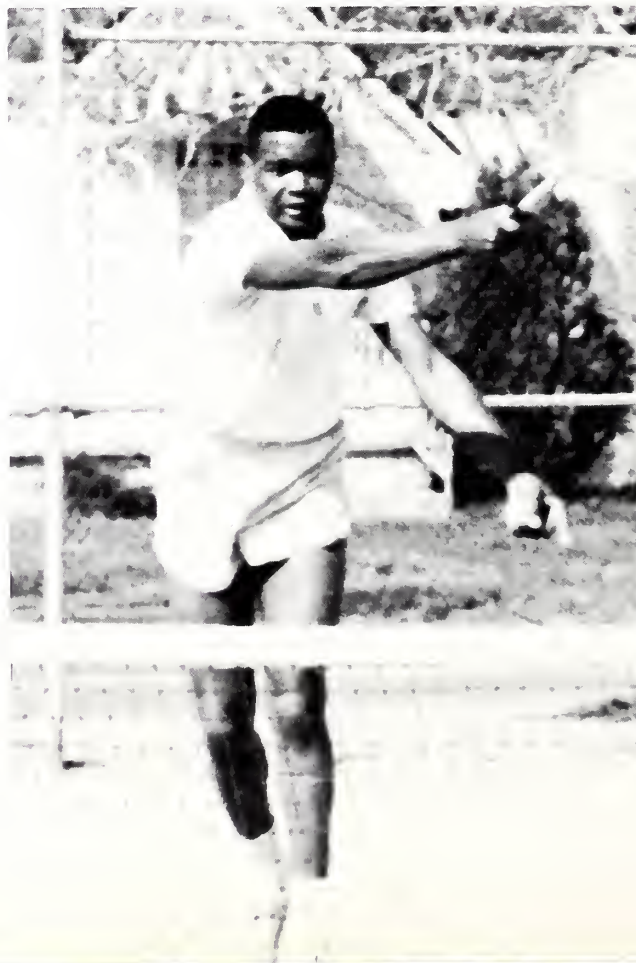

Court Aces Took Season Loss

The EC tennis squad ended the season with a slightly under par 2—6 record. They went on to place fourth in the ICC.

Coach Voorhees commented, "The loss of Ray Denton, our number two man this year will definitely be felt. But, of the five top men this year, Brooks, Koch, Watkins and Sergesketter will be returning for another year of action."

Anthony Brooks, the Aces number two singles man, concentrated on lobbing the ball over the head of an opponent during a tight contest.

Aces number four man, Sam Watkins, followed through after returning a serve to a teammate during practice.

Snipers Proved Superior Entries in Intramural Track Meet

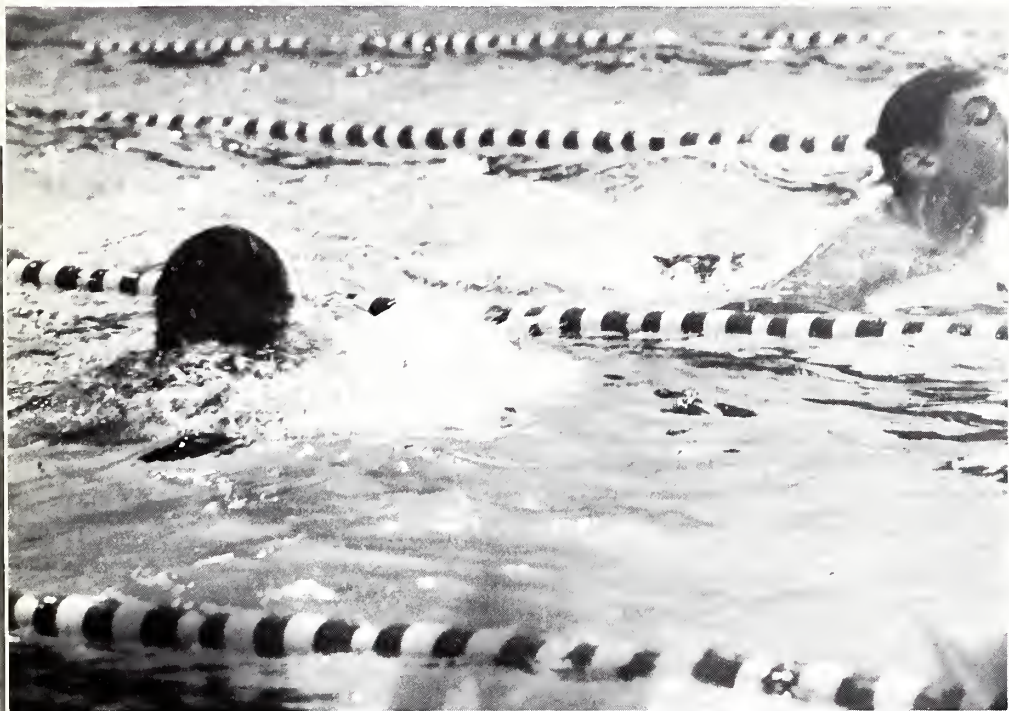

Dave Cox, Kokomo, Ind., set a record of 20' 7" while representing Hughes Hall. Dave also finished second in pole vaulting.

Since E.C. had no track team in 1965, would-be track men entered the intramural track meet. A team of these men, the Snipers, walked off with the honors at the IM track meet, leaving second place Hughes Hall 57 points behind.

Jumping-jack Herb Williams goes high to win the high jump for the Snipers.

Evansville Wins I.C.C. Swim Crown

Aces Mike Enlow and Dave Schlansker perfect their breaststroke techniques in a practice session at Carson Center.

Tom Wolff comes to the side of the pool for a breather.

FACULTY

Melvin W. Hyde, President of Evansville College

Administration, Faculty and Staff

As a small private institution, Evansville College can offer more of its faculty to students than any large college or university. The EC student of 1966 can say he is still an individual and not just a number on an IBM card. This is because he has closer personal contact with educators who can be more easily involved in the student's goals and ambitions.

More than 150 strong, EC's faculty seeks to prepare students to think and act intelligently and to develop an awareness of the basic social, economic and political problems of the day. Open discussions, free expression of ideas, and intellectual independence are encouraged in the pursuit of knowledge.

With this in mind, EC has purposely combined the high ideals of the university with the practical advantages of a small school to offer a unique and rewarding education for all.

Sigma Alpha Epsilon founded March 9, 1856, at the University of Alabama, Tuscaloosa, Alabama ... 147 chapters.

The Indiana Epsilon Chapter of Sigma Alpha Epsilon was chartered on the Evansville College campus December 15, 1957.

When SAE chartered the Pi Epsilon Phi local fraternity at Evansville College it absorbed not only one of the oldest local fraternities in America, but the oldest local group ever granted a charter by Sigma Alpha Epsilon.

The purchase of an additional house during the summer of 1965 was the first step in the development program now underway by the SAE's.

At their National Convention in Atlanta, Georgia, the Evansville chapter was a top contender for the Most Improved Scholarship Award. They were in competition with 146 other chapters of Sigma Alpha Epsilon.

Traditions with the chapter include the Mother's Day weekend and Casino Party.

The fraternity colors are gold and violet, and the official flower is the violet. Mr. Millard Pace is the chapter advisor.

The Zeta Beta chapter of Tau Kappa Epsilon was chartered on May 25, 1957; thus giving Evansville College its third national fraternity.

The TKE chapter here has been revamped and reorganized by a succession of forceful leaders to take its place in the chain of a strong national organization.

The purchase of a Monticello style home in the spring of 1965 highlighted the TKE's calendar school year. The Tekes are presently the only greek organization on campus able to accommodate all of its members with housing.

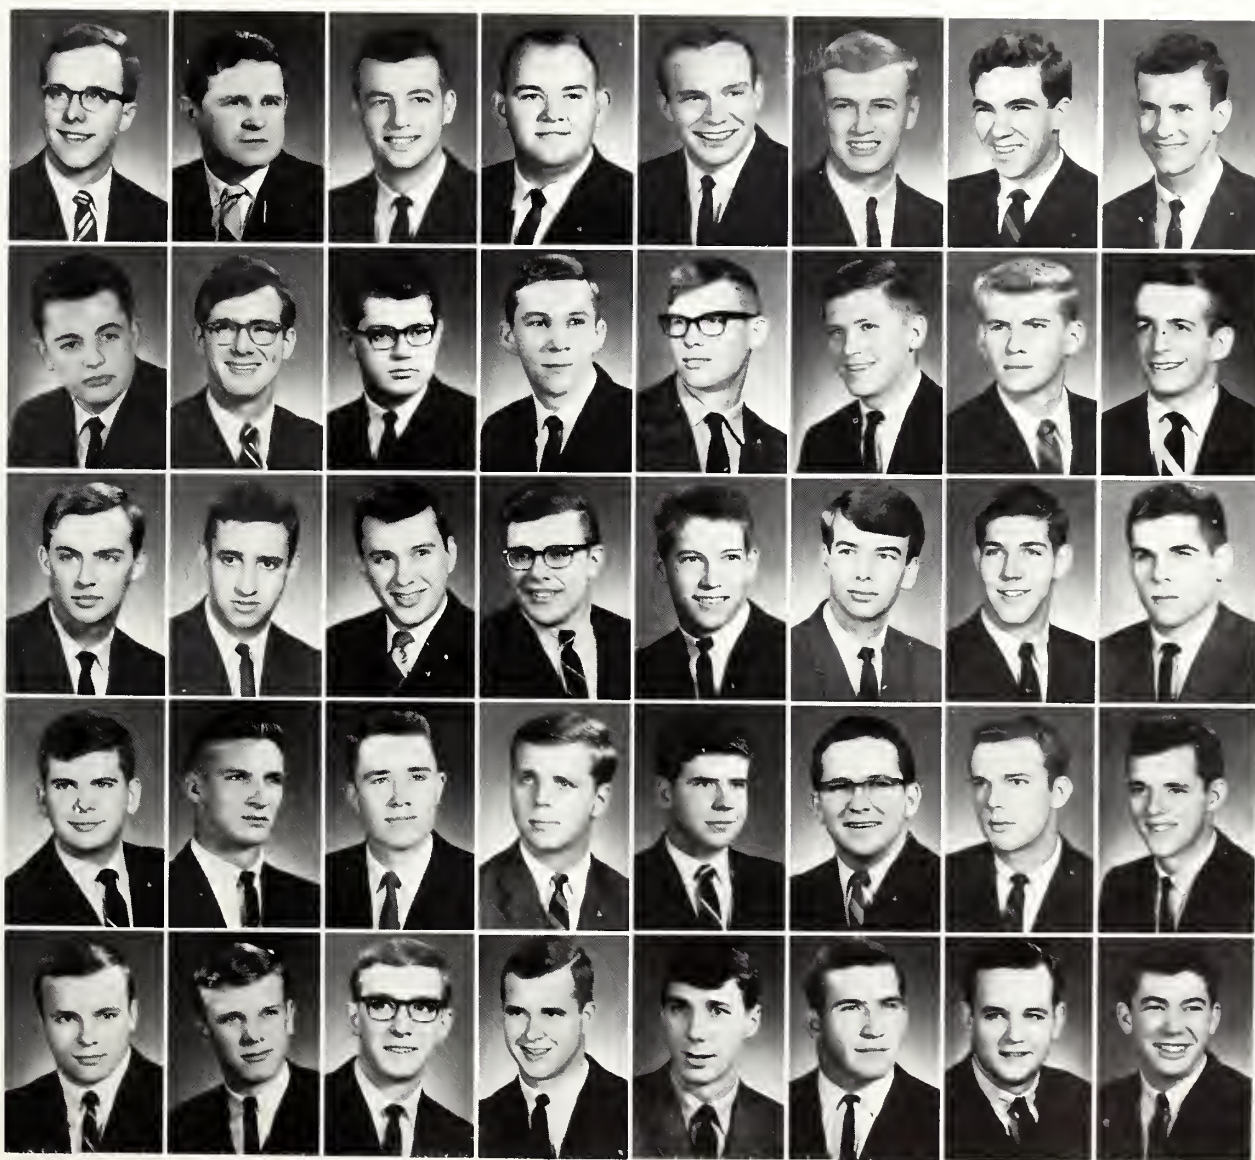

The Tekes sponsor an all-campus lawn party each year in the fall, and close the year with their Red Carnation Ball.

The red carnation is the official fraternity flower, and the colors are cherry and gray.

Mr. Burk Harl serves as the TKE faculty advisor.

The Student Government Association (SGA) officers, elected each spring quarter, represent the students in the Student-Faculty Federation. After game dances and the selling of used student text books are some of SGA's year round activities. This year a letter, signed by students, which was sent to basketball player Gary McClary, was sponsored by the Association. SGA also undertook to send Christmas cards to local men in the Armed Forces who are stationed in Vietnam.

The Student Senate is formed by the SGA officers and the class officers. The class officers serve in an advisory

capacity to the SGA officers and together they formulate student policy to be presented to the Administration.

The Union Board is made up of the nine students who are the chairmen of the Union Committees. They are: Pete Bland, Finance; Ann Kinnaird, House; Ann Fisher, Publicity; Gordon Stien, Fine Arts; Romona Kiefer, Personnel; Judi Keniepp, Dance; Louise Land, Entertainment; Pam Brown, Games; Vicki Hay, Social. These students are elected chairmen of their committees on the basis of the service they have given in the past to their committees.

RESIDENCES

Dorm life is a new experience for most college students. It is the beginning of individual responsibility, a part of the process of maturing in college. At Evansville College, students learn to share, to live with others cooperatively, and to be responsible persons.

The six residence units are Moore Hall, women's dormitory; Hughes Hall, men's dormitory; Bigney House and Franklin House, women's apartments; and Hovda House and Torbet House, men's apartments. In the dormitories, there are two students to a room; in the apartments, four or five to a room.

Resident Students Enjoy Campus and Dorm Life

Pictured above, left to right, Gordon Jaffray, Alan Hungate, and Cindy Brown chat while waiting for the fourth member of their party.

Cindy Hudson and Mike McLaughlin return to Moore Hall after a date.

This year, because of the increased number of out-of-town students, some have lived in private homes in the community and others in the nurses' dormitory at St. Mary's Hospital. Fifty-one student nurses live in alternate quarters at the Welborn Hospital nurses' residence and at the Evansville State Hospital.

All of the housing units participate in various campus activities. Intramural sports and homecoming contests are two such areas. Resident students this year have sponsored candidates for several contests. The candidates for Homecoming Queen were Jan Bierod, Moore Hall, and Carolyn Bentley, Franklin House. Bonnie Chase, Franklin House, and Gina Voight, Moore Hall, ran for Basketball Queen. Hughes Hall sponsored John Love as a candidate for Bachelor of the Year.

Moore Hall and Hughes Hall Boast Full

The most exciting part of Moore Hall's annual Halloween party is the appearance of a black-shrouded phantom who roams the dorm with her well-known crooked cane and unblinking glare. Shown here is the witch, Louise Anderson, before her make-up and costume are complete.

Officers of Bigney House were: Cheryl Mueller, president; Judy Voris, vice president; Glenda Clayton, recording secretary; Becky Hauselman, treasurer; and Jean Binns and Dixie Wood, wing representatives.

Connie Keith was president of Franklin House. She was assisted by Winona Porter, vice president; Carol Cunningham, recording secretary; Clara Curts, treasurer; Sarah Yaggi, social chairman; and Louise Land and Dianne McCarty, wing representatives.

Presiding over Moore Hall residents was Ruth Ritchie. Other officers included Judy Zwayner, vice president; Barbara Eberhart, secretary; Becky Conaway, treasurer; Karen Norris, publicity chairman; Ellie Hayes, faith chairman; and Judith Vosburgh, historian.

A Hughes Hall resident deliberates over tomorrow's problems in engineering.

Hovda House men elected Bryan Rathke president; Tom Wolff vice president; and Jerry Owen recording secretary and treasurer.

Leading Torbet residents were Dick Martin, president; Ed Miller, vice president; Phil Terman, recording secretary; and Ed Wilhelm, treasurer.

Phil Kemp was chosen president of Hughes Hall, with Frank Ballard, vice president; Max Sutherland, recording secretary; and Brian Stamler, historian.
